The Court orders that the motion to dismiss is GRANTED and the appeal is DISMISSED. The claim of appeal is dismissed for lack of jurisdiction because appellant's circuit court action is, in essence, an appeal from the decision of the Demolition Appeals Board and the Court lacks jurisdiction for an appeal of right from a circuit court order entered on appeal from another tribunal. MCL 125.542; MCR 7.203(A)(1)(a). An appeal from an order of the circuit court entered on appeal from another tribunal must come by application for leave to appeal under MCR 7.205. MCR 7.203(B).
